

## Grab Hire Services

Gallagher Aggregates Ltd

MUCK AWAY SERVICES

AGGREGATES SUPPLIED AND DELIVERED

Whether you are a large multi-national contractor or a DIY enthusiast, the Gallagher Group can remove your waste (subject to approval), while supplying and delivering all your aggregate needs.

Using one of our 8 wheeled, 32 tonne grab vehicles, we offer a fully operated service, with professionally trained, experienced and friendly staff who will be happy to assist you and answer any questions that you or your client may have.

Gallagher Grab Hire is the easiest and the most efficient way to ensure that any waste removed from your site is disposed of legally, efficiently and correctly at a fully licensed tipping facility, leaving you with a clear working environment and site. Gallagher Grab Hire will give you the peace of mind that any environmental concerns have been dealt with and handled professionally by our experienced staff.

The Gallagher Grab vehicles can reach 7 metres from the side of the roadway and can carry up to 16 tonnes. This gives the vehicles a large capacity for waste removal from sites.
