

## Quality Policy Statement

Gallagher maintains its standing in the marketplace by carrying out civil engineering and building construction including groundworks and related services with consistent quality, on time and in accordance with the agreed customer requirements.

We are committed to comply with the requirements of ISO 9001 and continually improve the effectiveness of the quality management system to give confidence in the products and services provided by the company and thereby improving client satisfaction, improve internal communications better control of the company's processes and reduction in defects and waste. (our company performance and customer satisfaction)

Determining objectives and reviewing this policy are agenda items for management review at director level.

It is part of Gallagher's training programme that this policy is understood, implemented and maintained at all levels in the organisation.

A handwritten signature in black ink, appearing to read "Ken Baillie". The signature is fluid and cursive, with a long, sweeping tail on the final letter.

Ken Baillie
